

2022 CHARDONNAY

This Chardonnay opens with vibrant aromas of lemon zest and green apple, complemented by delicate hints of brioche and beeswax.

On the palate, it reveals refreshing flavors of yellow pear and nectarine, with a bright acidity that is beautifully complemented by a creamy texture, adding depth and richness.

Without undergoing malolactic fermentation, this wine maintains a fruit-forward and refreshing profile, allowing the natural acidity and fresh fruit characteristics to shine through.
